CUSTOMER COMMENTS

When my husband died in 2004, I had to pay the sewer bills. I never realized (until just recently) that even though I was 1 day late over the due date, I was charged \$5.00. Over the past 16 years I over paid \$900 plus. This is crazy and unfair. How many people did this happen to? One day late = \$5.00 fine. and they want more money now — why in the world does
