CUSTOMER COMMENTS

We feel that they should not raise our prices as our meters are old, the piping is old and when we call no one answers, we don't get any service. They don't maintain what they got. The water is poor quality. They are always having problems with it.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
