#### CUSTOMER COMMENTS

Please do not approve yet ANOTHER  
rate increase for Utilities Inc. Ever since  
the utility was bought out by a private  
entity every single rate increase requested has  
been approved. This has more than doubled or  
trippled our bills. We can no longer afford  
water for our homes which is a necessity!  
Its time to vote on the side of the  
people who elect you and not on the side  
of big business which does not put money  
back into our local economy! Do we need  
to vote in new representatives?
