Subject: Regarding Docket No. 20200169-WS

I am writing to express my concern over the proposed rate increase of the Lake Yale Utility. Utilities are monopolies and therefore regulated. If the power company wants a rate increase of two cents, they have to justify them. LYU is proposing an increase in a much larger proportion than that. I really don't think the purchase of a lawnmower and the repair of a fence justifies a permanent rate increase of the size proposed, not even close. If anything, it displays the lack of planning on the part of LYU. I don't think the senior residents of LYE should be permanently assessed for such a temporary problem, except maybe the owner is looking to line his pockets on the

SS checks of our 55+ community. At the worst, maybe a one time small assessment, but certainly not what is proposed. If minor maintenance would have been performed overtime, these “major” problems wouldn’t exist.

Every business deserves to make a reasonable profit on their investment, but this is off the chart.

Sincerely,

Roland Lundin
