We here at Sandpiper Mobile home manner are on a fixed income we cannot afford such a drastic increase in any of our bills. The one that Lake Yale has proposed is an outrageous amount for any of our bills to increase. Adding to that our service is not good at all here, when we have a problem it takes a long time before we get any response from Lake Yale Utilities & it takes many calls from us to get a response to get it fixed. Also the water pressure is very bad for most of the park.

Sincerely Georgina
