In re: Fuel and purchased power cost

Docket No. 20210001-EI

Dated: February 17, 2021

**DUKE ENERGY FLORIDA LLC'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (“F.S.”), and Rule 25-22.006, Florida Administrative Code (“F.A.C.”), submits its First Request for Extension of Confidential Classification (the “Request”) for certain information provided in response to Office of the Public Counsel’s (“OPC”) Second Request to Produce Documents (Nos. 26-29). In support of this Request, DEF states:

1. On July 19, 2019, DEF filed a Request for Confidential Classification for DEF’s responses to OPC’s Second Request to Produce Documents, specifically questions 26, 27 and 29, as it contains “proprietary confidential business information” under Section 366.093(3), Florida Statutes.

2. DEF’s July 19, 2019 Request was granted by Order No. PSC-2019-0345-CFO-EI on August 22, 2019. The period of confidential treatment granted by that order will expire on February 22, 2021. The information continues to warrant treatment as “proprietary confidential business information within the meaning of Section 366.093(3), F.S. Accordingly, DEF is filing its First Request for Extension of Confidential Classification.

3. DEF submits that the information contained in DEF’s Response to OPC Second Request to Produce, questions 26, 27, and 29, identified in Exhibit “A” and Exhibit “C” to the July

19, 2019, Request¹ continue to be “proprietary confidential business information” within the meaning of section 366.093(3), F.S. and continue to require confidential classification. *See* Affidavit of Jeffrey Swartz at ¶ 7, attached as Revised Exhibit “D”. This information is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public. Pursuant to section 366.093(1), F.S., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the Public Records Act. *See* Affidavit of Jeffrey Swartz ¶¶ 5-7.

4. Nothing has changed since the issuance of Order No. PSC-2019-0345-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Upon a finding by the Commission that this information continues to be “proprietary confidential business information,” it should continue to be treated as such for an additional period of at least 18 months and should be returned to DEF as soon as the information is no longer necessary for the Commission to conduct its business. *See* §366.093(4), F.S.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 17th day of February, 2021.

Docket No. 20210001-EI

Dated: February 17, 2021

**AFFIDAVIT OF JEFFREY SWARTZ IN SUPPORT OF
DUKE ENERGY FLORIDA'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Jeffrey Swartz, who being first duly sworn, on oath deposes and says that:

1. My name is Jeffrey Swartz. I am over the age of 18 years old and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the Vice President of Florida Generation in the Regulated and Renewable Energy Department. This section is responsible for overall leadership and strategic direction of DEF's power generation fleet.

3. As the Vice President of Florida Generation, I am responsible, along with the other members of the section, for strategic and tactical planning to operate and maintain DEF's non-nuclear generation fleet, generation fleet project and additions

recommendations, major maintenance programs, outage and project management, and retirement of generation facilities.

4. DEF is seeking an extension of confidential classification for information contained in DEF's Response to OPC's Second Request to Produce Documents (Nos. 26-29), specifically questions 26, 27, and 29 filed on June 28, 2019 in docket number 20190001-EI. There are no changes to the information contained in DEF's confidential Exhibit A, redacted Exhibit B, and justification matrix C. The referenced Exhibits are on file with the Clerk. DEF is requesting an extension of confidential classification of this information because it contains sensitive business information, the disclosure of which would impair the Company's competitive business interests.

5. The confidential information at issue is confidential proprietary information. The information contains drawings, evaluations and information of both DEF and third-party companies, the disclosure of which would impair the Company's competitive business interests and efforts to contract for goods or services on favorable terms. DEF has not publicly disclosed the information. Without DEF's measures to maintain the confidentiality of this sensitive business information, DEF's ability to contract with third-parties could detrimentally impact DEF's ability to negotiate favorable contracts, thereby harming its competitive interests, ultimately to its customers' detriment.

6. Upon receipt of its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the

information and contracts. At no time since receiving the information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information at issue as confidential.

7. This concludes my affidavit.

Further affiant sayeth not.

Dated the 5th day of February, 2021.
