In re: Petition by Florida Power & Light
Company for Rate Unification and for Base
Rate Increase

Docket No. 20210015-EI

Filed: May 17, 2021

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF CERTAIN INFORMATION PROVIDED IN ITS
RESPONSES TO FIPUG'S FIRST REQUEST FOR PRODUCTION OF
DOCUMENTS (NOS. 5, 8, 16, 35-37, 41-45 AND 47-48)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in its supplemental responses to Florida Industrial Power Users Group's ("FIPUG") First Request for Production of Documents (Nos. 5, 8, 16, 35-37, 41-45 and 47-48) (the "Confidential Information"). In support of its Request, FPL states as follows:

1. FPL served its responses to FIPUG's First Request for Production of Documents ("POD") on May 17, 2021. This request is being filed contemporaneously with service of those responses to request confidential classification of certain information contained in its response to FIPUG's First Request for Production of Documents Nos. 5, 8, 16, 35-37, 41-45 and 47-48, consistent with Rule 25-22.006, Florida Administrative Code.

2. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the confidential material on which all the information that FPL asserts is entitled to confidential treatment has been highlighted. Some responses are voluminous and so are being provided in electronic format on disk.

b. Exhibit B consists of a copy of the confidential documents, on which all the information that is entitled to confidential treatment under Florida law has been redacted. For those documents that are confidential in their entirety, Exhibit B consists of only an identifying cover pages.

c. Exhibit C is a table that identifies by column and line the information for which confidential treatment is being sought and references the specific statutory basis for the claim of confidentiality. Exhibit C also identifies the declarants who support the requested classification.

d. Exhibit D contains the declarations of the individuals who support the requested classification.

3. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declarations included as Exhibit D, the Confidential Information consists of information relating to competitive interests, the disclosure of which would impair the competitive business of FPL, and information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. Specifically, some information is related to credit agency rating reports and equity analyses, analysis the cost-effectiveness of new DSM program participants and output data for solar generating plants. This information is protected by Section 366.093(3)(d) and (e), Fla. Stat.

5. Upon a finding by the Commission that the Confidential Information is proprietary confidential business information, the information should not be declassified for a period of at

least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. See§ 399.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and declarations included herewith, FPL respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

FLORIDA POWER & LIGHT COMPANY
