Good morning,
Suzanne, would you be ok with returning these 3 documents at the end of the month?

Thank you,

Collin Roehner

All three would be available to be returned in January, as we wouldn't need them anymore (we're currently closing out 2019 in the fuel clause). With that said, if it's easier for all, I do not need these specific documents any longer. If Suzanne is OK with returning them now, so am I. Thanks!

It's more so that all 3 lose their confidential classification as it expires on the 30th of this month. Hence Ms. West's inquiry as to whether or not she needs to re-file for an extension?

Will all 3 be returned in January?

Collin

Good afternoon Collin,

Apologies for the delay, this docket has been in hearing today. Please see below. This Document, i.e. 03493-2019 was processed in April of 2019. We should be returning these documents as a matter of course sometime after 1.1.21, although if that presents an issue, I believe it's OK to return them now. Thanks!

Devlin

Good morning Collin,

Please see below. I not quite sure where we/Suzanne are at on this (i.e. if anything more is needed). It appears DN 03490-2019 is not confidential? Please advise on any further requirements, thanks!

Good morning,

The first two docs are DEF confidential filings, while the third is a non-confidential FPL filing. Perhaps Collin was given the incorrect document number for the third one? Please see below, thanks.

Devlin

DN: 01320-2019

Date: 3/1/2019

Document: Duke Energy (Bernier) - (CONFIDENTIAL) Exh A to request for confidential classification regarding certain information contained in Exh AG-1 to direct testimony of Arnold Garcia; and Exh CAM-2T, sheets 2 and 3, to the direct testimony of Christopher A. Menendez.

Good morning,

Monique West with Duke Energy called inquiring about the following documents:

01320-2019
03322-2019
03490-2019

Her inquiry pertained to their confidential status, as it expires on 11/30/2020.

I have yet to receive anything from staff about returning said documents (understandable, as they expire next month), but to your knowledge will we be retaining or returning?

Thank you,

Collin Roehner
