**Re: Docket No. 20210120-SU, Application for a limited alternative rate increase in Brevard County**

Dear Mr. Terry:

On June 25, 2021, the above-referenced utility filed an application for a limited alternative rate increase (LARI) requesting authority to increase its rates for wastewater service pursuant to Sections 367.0814 and 367.121, Florida Statutes (F.S.), and Rules 25-30.457 and 25-30.458, Florida Administrative Code (F.A.C.). In accordance with Rule 25-30.457, F.A.C., the petition must be accompanied by certain information and schedules in support of the requested increase. We have reviewed the petition submitted on June 25, 2021, and have determined that the utility has met the initial requirements imposed by Rule 25-30.457, F.A.C. Therefore, pursuant to Rule 25-30.457(4), F.A.C., the official date of filing is established as August 12, 2021.

The staff engineer has determined the filing fee in the LARI is \$1,000 for wastewater. The fee is based on the capacity of the utility system as provided by Section 367.145(2), F.S., and Rule 25-30.020(2)(f), F.A.C. Pursuant to Rule 25-30.457(4), F.A.C., the application is deemed denied if the utility does not remit the filing fee required within 30 days after the official acceptance of the application.

Sincerely,
