Re: Fuel and Purchased Power Cost Recovery Clause with Generating  
Performance Incentive Factor; FPSC Docket No. 20210001-EI

Dear Mr. Teitzman:

The Case Assignment and Scheduling Record in the above matter calls for the filing of utility testimony and hedging activity supplemental reports for the period January through July 2021 on August 10, 2021. This is to advise that, pursuant to paragraph 11(a) of the company's settlement agreement approved by the Commission on November 27, 2017 in Order No. 2017-0456-S-EI, the company is operating under a hedging moratorium, and Tampa Electric has no hedging activities to report for 2021. Accordingly, the company is not filing testimony or a hedging activity supplemental report.

Thank you for your assistance in connection with this matter.

Sincerely,

  
Malcolm N. Means
