Re: Docket No. 20200001-EI

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel (“OPC”) is one (1) copy of SC20-1601 Joint Answer Brief of Office of Public Counsel and Florida Industrial Power Users Group, (“brief”).

In advance of this filing Duke Energy Florida, LLC, (“Duke”) has filed a timely Notice of Intent to Request Confidential Classification for the portions of the brief it claims as confidential. Due to the claim of confidentiality related to some of the information that the OPC has informed Duke will be included in the brief, Duke has asked that this filing be made as confidential in its entirety. It is the OPC’s understanding that Duke will make the appropriate filing(s) to designate and justify its claim of confidentiality for specific confidential information contained in the brief. OPC’s treatment of the information claimed as confidential does not waive any objection to such claim of confidentiality OPC may have.

The Parties were previously served on July 19, 2021 with a redacted copy of the brief pursuant to the accompanying certificate of service. Service of the unredacted, confidential version is indicated pursuant to the attached certificate of service for parties able to receive the confidential information in this unredacted version of the brief. Service of the confidential version
