**Subject:** FPL Rate Increase

Dear Commissioner

I am very concerned and disappointed that the PSC is granting FPL a very generous (10.6%) Return on Equity while those of us on fixed incomes struggle to meet our daily needs. Amongst the Parties involved in the Settlement Agreement, I find NO representatives for

residential consumers! I sincerely urge you to provide some rate relief for residential consumers and require FPL to submit a carbon emissions reduction plan.

Thank you,

Ray Uhlhorn
