Important Notice Regarding the Planned Discontinuance of Certain Traditional Voice Services Provided by CenturyLink Communications, LLC, a Lumen Company

Dear [REDACTED],

At CenturyLink Communications, LLC, a Lumen Company, our goal is to provide you with great quality and value while remaining competitive. Changing market conditions require that we continually evaluate our prices, product offerings and infrastructure.

You are receiving this notice because you subscribe to the WorldCard calling card provided by CenturyLink Communications, LLC in all 50 states and the District of Columbia. The WorldCard is an outbound calling card service designed for business customers that allows the caller to place a long-distance call to any geographical area in the state from an access line and receive the bill for that call on an assigned calling card billing account. With the availability of newer technologies, products, and services, calling card services have been rendered obsolete. In addition, the platform or equipment used to provision this service has reached the end of its lifespan and can no longer be maintained.

Please be advised that the WorldCard calling card will be discontinued as of October 15, 2021, provided that the FCC and relevant state commissions, if required, approve the planned discontinuance.

The Lumen point of contact for this transition will be your CenturyLink Client Support Manager. Your Client Support Manager is [REDACTED] and can be reached at [REDACTED], or by email at [REDACTED]@lumen.com. If you would like to designate an operational contact with respect to this matter, please provide his or her contact information as soon as possible.

If you subscribe to other services from Lumen, those services will NOT be impacted by the anticipated discontinuance of the affected services listed above. Your other services will remain in place with no change to the applicable rates, terms, or conditions. When the affected services are discontinued, the Company will automatically apply any deposits or credits, if applicable, to your Lumen invoice. If the amount of the invoice is less than any deposits and credits, the Company will issue a refund for the remaining balance.

The following statement is required by the FCC:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected.
