Re: Section 63.71 Application of MCImetro Access Transmission Services LLC and MCImetro Access Transmission Services of Virginia, Inc. to Discontinue Business Lines

Dear Ms. Dortch:

MCImetro Access Transmission Services LLC and MCImetro Access Transmission Services of Virginia, Inc. submit the enclosed application for authority under Section 214(a) of the Communications Act and Section 63.71 of the Commission's rules to stop offering to new customers and then discontinue Business Lines service as specified in the application.

If you have any questions regarding this matter, please contact me at 202-515-2590.

Sincerely,

Section 63.71 Application of)
MCImetro Access Transmission Services)
LLC and MCImetro Access Transmission)
Services of Virginia, Inc.)
) File No. _____
For Authority Pursuant to Section 214 of)
the Communications Act of 1934, as)
Amended, to Discontinue the Provision of)
Service)

**SECTION 63.71 APPLICATION OF
MCIMETRO ACCESS TRANSMISSION SERVICES LLC and
MCIMETRO ACCESS TRANSMISSION SERVICES OF VIRGINIA, INC.**

MCImetro Access Transmission Services LLC and MCImetro Access Transmission Services of Virginia, Inc. (collectively, “Verizon Business”) submit this Application for authority under Section 214(a) of the Communications Act and Section 63.71 of the Commission’s rules to stop offering to new customers and then discontinue Business Lines service (the “Affected Service”) as specified below.¹ Verizon Business offers the Affected Service as a competitive LEC and the service is offered only to business customers; it is not sold to residential or consumer customers. As discussed below, modern replacement services are available from Verizon and other providers, and TDM-based voice service will continue to be available from other providers. Verizon will work with the affected customers to migrate them to other more advanced services and will provide ample communication regarding the discontinuance.

¹ Modifications in service offerings for customers with existing contracts are subject to the applicable terms of their contract.

Consistent with Section 63.71(a) and (c) of the Commission’s rules, Verizon Business provides the following information:

1. Name and Address of Carrier (47 C.F.R. §§ 63.71 (a)(1), (c)(2)):

MCImetro Access Transmission Services LLC
One Verizon Way
Basking Ridge, NJ 07920

MCImetro Access Transmission Services of Virginia, Inc.
One Verizon Way
Basking Ridge, NJ 07920

2. Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2), (c)(2)):

Subject to the Commission’s authorization, on or after November 30, 2021, Verizon Business will cease offering the Affected Service to new customers (the service will be “grandfathered” as defined in 47 C.F.R. § 63.60(d)) in the geographic areas identified in Section 3 below.

Subject to the Commission’s authorization, on or after November 30, 2021, Verizon Business also will not permit existing customers of the Affected Service to make moves, additions, or changes (“MACs”) in the geographic areas identified in Section 3 below.

Subject to the Commission’s authorization, on or after April 30, 2022, Verizon Business will discontinue the Affected Service in the geographic areas identified in Section 3 below.

3. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (c)(2)):

Subject to the Commission’s authorization, Verizon Business will cease offering to new customers and will discontinue the Affected Service in the District of Columbia and in all states except Alaska, California, and Hawaii.

4. Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(4), (c)(2)):

The service Verizon Business seeks to discontinue is:

Business Lines: Offered by Verizon Business as a competitive LEC, Business Lines provides a single analog TDM voice communications circuit for a customer's telephone, key system, fax machine or modem. The service is a solution for routine business voice telecommunications applications which provides an access line to the end user customer, allowing the customer to place and receive local calls and to access the interexchange carrier selected by the customer for interLATA, intraLATA, interstate, or international calling. Business Lines service is also known as Local Lines, Basic Lines, Plain Old Telephone Service (POTS), and Analog Lines.²

Verizon Business is discontinuing Business Lines service because demand has declined significantly. Many customers have already chosen to migrate away from the Affected Service, including to IP, wireless, and other solutions that offer flexibility and reliability and are suitable for next generation applications. Verizon Business plans to work with the remaining customers who could be affected by this change by providing ample notice of the discontinuance and multiple touch points. We will work with each customer and the new provider, if a customer chooses to migrate to another provider, to ensure continuity of service. In addition to the communications referenced in Section 5 below, Verizon Business plans to send additional communications and recorded messages to ensure that customers have sufficient time to transition service before it is discontinued.

² Verizon Business's application here applies only to the interstate components of Business Lines that are subject to the Commission's jurisdiction.

Modern Alternative Services and Products: Customers today can obtain modern alternative services and products from Verizon or other providers, such as cable providers, that may suit customers' needs depending on the customers' particular applications. Possible modern alternative products and services offered where available by Verizon Business or an affiliate include:

- IP Integrated Access is designed for small- to medium-size business customers that simply need converged voice and data access. This service works with existing Key or PBX systems, thereby eliminating the need to heavily invest in additional equipment.
- Business Connection, an all-in-one voice, data and Internet solution that is designed for businesses that want a cost-effective way to carry voice and data over the same IP network. This service works with any type of existing Key or PBX System and does not require additional investment in costly infrastructure or desktop equipment.
- Webex Calling service with the power of our IP Trunking service creates a multi-featured advanced communications system using Cisco's newest Webex client, that provides PBX in-the-cloud features, instant messaging and presence with flexible advanced routing and on-net calling.
- Business Digital Voice, a cloud-based VoIP solution with advanced communication technology scalable for small and medium businesses and offered within Verizon Telecom's franchise areas.

Additional solutions such as Verizon One Talk are also available over other technologies.

TDM Alternative Services and Products: Verizon Business's discontinuance of Business Lines service is not a "Technology Transition" as defined in 47 C.F.R. § 63.60(i) because customers are not required to replace their service with a different technology or medium for transmission. Verizon Business typically offers much of Business Lines service using other providers' last-mile facilities ("off-net"). In a relatively small number of locations, Verizon Business offers Business Lines over its own last-mile facilities ("on-net"). To the best of Verizon Business's information and belief, a facilities-based provider will continue to offer a TDM-based

wireline voice solution at all of the locations -- off-net and on-net -- where Verizon Business has Business Lines customers. The affected customers will be able to choose from the modern services listed above offered by Verizon Business, an affiliate, or by other providers. Affected customers may also choose to obtain TDM-based wireline voice solutions offered by the remaining providers in the affected areas. A list of incumbent LEC providers of business TDM voice service at Business Lines customer locations is attached as Exhibit A.

5. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71 (c)(3)):

Customers of the Affected Service were sent notices by bill message on or before September 30, 2021. A representative copy of the notices is attached as Exhibit B. The copy of the bill message attached in Exhibit B erroneously refers to the “contiguous United States and the District of Columbia.” As described above in Section 3, this Application covers the District of Columbia and all states except for Alaska, California, and Hawaii -- California is not included. Verizon Business will send an updated bill message to the affected customers clarifying that California is not included, and we will file a copy of the updated bill message in the Commission’s docket for this Application.

Separately, on or before September 30, 2021, copies of this Application were sent by U.S. mail to the governor and public utilities commission of each affected state, to federally-recognized tribal nations in each affected state, and to the Department of Defense Chief Information Officer, as required by Section 63.71(a) of the Commission’s rules.

6. Regulatory Classification of Carrier (47 C.F.R. § 63.71(c)(4)):

Verizon Business is classified for regulatory purposes under the Commission's rules as non-dominant with respect to the Affected Service.

CONCLUSION

Verizon Business respectfully requests that the Commission approve this Application.

Respectfully submitted,

/s/ Roy E. Litland

Important Messages to Our Customers

Invoice Number: [REDACTED] Invoice Date: 09/10/2021
Corporation ID: [REDACTED] Bill Payer ID: [REDACTED] Node Number: [REDACTED]

TO OUR VALUED CUSTOMERS:
NOTICE OF DISCONTINUATION OF SERVICE

Discontinuation of Business Lines Service provided by MCImetro Access Transmission Services LLC and MCImetro Access Transmission Services of Virginia, Inc.

Business Lines service provided by Verizon subsidiaries MCImetro Access Transmission Services LLC and MCImetro Access Transmission Services of Virginia, Inc. will be discontinued on or after April 30, 2022. On or after November 30, 2021 the service will also be closed to new customers and moves, additions and changes (MACs) will no longer be permitted for existing customers. Verizon will waive any early termination charges associated with discontinued services.

Business Lines is a single analog voice communications circuit for a customer's telephone, key system, fax machine or modem; a solution for routine business telecommunications applications. The service is also known as Local Lines, Basic Lines, Plain Old Telephone Service (POTS) and Analog Lines. The service is available in the contiguous United States and the District of Columbia. This notice relates only to Business Lines service sold by the Verizon subsidiaries referenced above. The address for both Verizon subsidiaries referenced above is One Verizon Way, Basking Ridge, NJ 07920.

Important Messages to Our Customers

Invoice Number: [REDACTED] Invoice Date: 09/10/2021
Corporation ID: [REDACTED] Bill Payer ID: [REDACTED] Node Number: [REDACTED]

These changes are subject to applicable regulatory approvals, and contractual obligations, including, in Maryland for certain intrastate services, approval by the Maryland Public Service Corporation (PSC). Verizon would be pleased to work with you to transfer your service(s) to alternative Verizon solutions, as available. You can also choose to switch your service(s) to other providers. We invite you to call us to request a quotation for replacement services:

Commercial customers: If your business has fewer than 500 employees, please call us on 888.999.5954. For enterprise customers (over 500 employees), please contact your assigned account executive or authorized Verizon partner. If you do not have an assigned account executive or authorized Verizon partner, you can contact us at 877.297.7816

Federal, State and Local Government Agencies and Educational Institutions, please contact your assigned account executive. If you are uncertain whom to contact, email public.sector.modernization@verizon.com or call 800.322.4864 to help identify your account executive.

Verizon Partner Solutions (VPS) customers: please contact your VPS account manager. If you do not have an assigned account manager, you can email: vps.customer.inquiries@verizon.com.

The following notice is required by the Federal Communications Commission ("FCC" or "Commission") and applies to retail customers of the service(s) listed in this bill message:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the 63.71 Application of MCI Metro Access Transmission Services LLC and MCI Metro Access Transmission Services of Virginia, Inc. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

CERTIFICATE OF SERVICE

I hereby certify that on or before September 30, 2021, I caused to be served a copy of the foregoing Section 63.71 Application by U.S. Mail postage prepaid to the following parties on the attached service list.
