Dear Commissioner

I am a senior living in Brevard county. I only have my Social Security to live off of. I cannot afford to have a substantial rate increase. I would have to choose to keep all lights off in my house and only use the A/C in the most extreme hot days.

It's already difficult to pay for things since COVID increased the cost of living for us seniors.

Thank you for allowing me to let you know my thoughts.

Thank you,

Sandra Sableski
