Re: *Proposed adoption of Rule 25-18.020, F.A.C., Pole Inspection and Maintenance*; Docket No. 20210138-PU

Dear Mr. Teitzman:

On November 10, 2021, Duke Energy Florida, LLC ("DEF") electronically filed its Notice of Intent ("NOI") to Request Confidential Classification concerning the confidential information contained in its response to Staff's First Data Request (Nos. 1-5); specifically, the information contained within DEF's responsive documents to Staff's First Data Request number 2, titled as "Attachment A," contains confidential, proprietary business information. Due to a scrivener error listing the incorrect Docket No. on the cover page of Confidential "Exhibit A," DNs 12642-2021 and 12643-2021 were inadvertently filed in the wrong Docket.

On November 12, 2021, DEF electronically filed its NOI to Request Confidential Classification once more concerning the confidential information listed above. This corrected filing replaces DNs 12642-2021 and 12643-2021 and should be filed in the above-referenced Docket. This corrected filing also adds page numbers to the exhibit, but there are no other substantive changes.

Thank you for your assistance in this matter. If you have any questions concerning this Response, please feel free to contact me at (727) 820-4692.

Respectfully,

/s/ Dianne M. Triplett
