In re: Proposed adoption of
Rule 25-18.020, F.A.C., Pole
Inspection and Maintenance

Docket No. 20210138-PU

Filed: November 12, 2021

**DUKE ENERGY FLORIDA, LLC'S
CORRECTED NOTICE OF INTENT TO
REQUEST CONFIDENTIAL CLASSIFICATION**

On November 10, 2021, Duke Energy Florida, LLC (“DEF”) submitted its Notice of Intent (“NOI”) to Request Confidential Classification regarding documents provided in response to Staff’s First Data Request (Nos. 1-5) for electronic filing; however, due to a scrivener error listing the incorrect Docket No., DN 12634-2021 was inadvertently filed in the wrong Docket. This corrected filing replaces that DN and should be filed in the above-referenced Docket.

DEF, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this NOI to Request Confidential Classification regarding documents provided in response to Staff’s First Data Request (Nos. 1-5). The confidential documents have been filed with the clerk and the redacted versions have been filed as part of DEF’s Responses to respective requests. Specifically, the responsive documents to Staff’s First Data Request number 2, titled as “Attachment A,” contains confidential proprietary business information relating to DEF’s contractual information. The disclosure of that information to the public would impair DEF’s competitive business interests, to the detriment of DEF’s customers.

A highlighted copy of the above-referenced confidential document labeled as “Exhibit A,” has been filed under a separate cover letter.

Pursuant to Rule 25-22.006(3)(a)(1), DEF will file its Request for Confidential Classification for the confidential information contained herein within twenty-one (21) days of filing this request.

RESPECTFULLY SUBMITTED this 12th day of November, 2021.
