Thank you for the confirmation, I will update the title of the docket.

I will also be on the lookout for them to file something correcting the certificate numbers as well at some point.

Sincerely,

Hi Brian,

Yes, I believe the docket title should be updated as well.

Just a heads up, there are also a few certificate numbers the Utility included in its application (that are also in the docket title) that are not correct – we are working with the Utility to file something to correct that as well.

Thank you,

**Subject:** Docket 20210185-WS Title

Good Morning,

Yesterday Utilities Inc. filed DN 12976-2021 which stated that Sunshine Water Services Company will be operating under the fictitious name of Sunshine Water Services. I've updated the utilities tab to show the name as "Sunshine Water Services Company d/b/a Sunshine Water Services", should we also update the title to reflect this as well?

Sincerely,

*Brian Schultz*
