Subject: Sewer system little Gasparilla

To whom it may concern:

Please forward to other commissioners of Charlotte county. I have already been forced into this system in Hillsborough county. It doesn't work. I paid a lot of money for nothing. It was abandoned by the county and replaced with another system.

I am Ross Elsberry. I have owned three properties on Little Gasparilla over the years. This is the first project I have contested.

Sincerely,

Ross Elsberry
