Subject: Re. Docket#20200226-SU

My name is Pete Hosmer and I am the property owner of Lot #14 on Don Pedro Island for over 47 years.

I am writing to you today in opposition to the proposed EU central sewer system. Specifically, I do not feel there is a need for this service since everything on the Island is working perfectly. Also, I am concerned about the technical expertise of the EU. This is not a project for some individual company with little experience. If it is deemed necessary, then it should be a county project.

I am also concerned about the financial responsibility of EU and all of the associated charges and rates.

So, I am objecting to this proposal and respectfully ask you to deny the Application for Original Certification of Authorization.

Thank you,
Pete Hosmer
