CUSTOMER COMMENTS

I am a resident of Palm Island, Placida, FL. I have undertaken an exhaustive study of the pro's and cons of whether Mr. Jack Boyer and his associates should be involved in any aspect of providing a sanitary sewer system on Palm Island and have concluded that he should have no part to play, either directly or indirectly, in the implementation of a sewer system on Palm Island. His personal background is quite suspect and his ability to perform on such a project is highly questionable. Please vote NO on any matter that would involve Mr. Boyer being associated with any project on Palm Island.
