CUSTOMER COMMENTS

We are seasonal residents and turn off the water for 8 months yet we are charged approx. \$312. for water + sewage usage for those 8 months.

I just received my bill for Jan. 2022 and it was \$463.91. We do not water yard + do not have a pool. We are a 2 person household and I feel strongly that the charges are outrageous!!

Maybe USW Utility needs to reduce their expenses and tighten their belts!!
