By Order No. PSC-2020-0097-PCO-EI, issued on April 6, 2020, in Docket No. 20200068-EI, FPUC was allowed to file its initial SPP in 2021 and submit an updated SPP in 2023. Following Commission approval of SPPCRC settlement agreements with respect to the other investor owned electric utilities, by Order PSC-2020-0502-PAA-EI, issued December 16, 2020, in Docket No. 20200028-EI, FPUC was allowed to defer filing its SPP from April 12, 2021, to April 2022, so that it could remain in alignment with the overall plan update schedule for the other utilities.

<sup>2</sup> FPUC is included in events three through twelve.

Based on the foregoing, it is

ORDERED by Commissioner Mike La Rosa, as Prehearing Officer, that Order No. PSC-2022-0044-PCO-EI is modified as set forth in the body of this order. It is further
