**Re: Docket No. 20220069-GU, Petition for rate increase by Florida City Gas.**

Dear Mr. Howard:

In response to your Test Year Notification Letter dated March 29, 2022, the Florida Public Service Commission (Commission) has opened Docket No. 20220069-GU for Florida City Gas' (FCG or Company) forthcoming general base rate increase proceeding. It has been noted that FCG proposes to utilize a projected 12-month test year period ending December 31, 2023, for the permanent rate increase proceeding. The Company's test year request is hereby approved for purposes of filing its Minimum Filing Requirements. Please be advised that approval of the test year for filing purposes does not mean that the appropriateness of the selected test year could not be raised as an issue in the proceeding.

It is my understanding that FCG intends to make its filing no earlier than May 31, 2022, in order to be in compliance with Rule 25-7.140(1), Florida Administrative Code (F.A.C.). If the Company is unable to file by May 31, 2022, it must notify the Commission in accordance with Rule 25-7.140(3), F.A.C.

If you have any questions or concerns regarding this matter, please contact Andrew Maurey, the Director of the Division of Accounting and Finance, at (850) 413-6465.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Giles Fay".
