DOCUMENT NO. 02772-2022
FPSC - COMMISSION CLERK

Docket No. 20220036-TP – Petition of North American Numbering Plan Administrator on behalf of the Florida telecommunications industry, in the matter of the implementation for relief of the 904 numbering plan area.

Issue 1: Should the Commission approve the Industry's consensus recommendation of an all-services distributed overlay as the area code relief plan for the 904 area code?

Primary Recommendation: Yes. The Commission should approve the Industry's consensus recommendation of an all-services distributed overlay as the area code relief plan for the 904 area code.

Alternative Recommendation: No. Staff recommends a modified overlay of a new area code with boundary elimination as the area code relief plan for the 904 area code. Staff recommends an immediate overlay of a new area code over the 904 area code, with a boundary elimination between the 904 and 386 geographic areas once the 386 area code reaches exhaust.

The Primary Recommendation is approved.

Issue 2: Should this docket be closed?

Recommendation: No. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the PAA Order, a Consummating Order should be issued. The docket should remain open pending the full implementation of the all-services distributed overlay of the 904 area code. Once this action is complete the docket should be closed administratively.
