**COMPLAINT INFORMATION**

Complaint: Other Complaint against Florida Power & Light Company

**Details:**

First - Fuck you, as the PSC will not do shit about any complaint against FPL due to the Governor and many of his cronies receiving cash from FPL and other sources.

Second, you idiots are about to approve another hike due to FPL wanting money to bury lines. We pay enough as it is due to your incompetence and unethical behaviors. FPL can take it out of their CEO and their parent CEOs pay, they get paid tens of millions of dollar per year. So fuck them too.

Third, you don't like my language, well fuck you again. I am sick and tired of politics fucking us over at the little guy level. People are fed up with assholes like you. So fuck you and fuck your families. Have a nice fucking day bitches.
