RE: Docket No. 20220091-TL-Petition for expedited review of NXX-X code denial by Number Pooling Administrator for Hollywood rate center, by BellSouth Telecommunications, LLC d/b/a AT&T Florida.

On March 31, 2022, BellSouth Telecommunications, LLC d/b/a AT&T Florida (AT&T Florida) filed a request for additional numbering resources from the Number Pooling Administrator (Somos) for the Hollywood rate center, HLWDFLWHDSO switch. AT&T Florida requested ten blocks to meet the request of a specific customer for 10,000 consecutive numbers in the format of 754-363 as the first choice or 754-362 as the second choice. On March 31, 2022, AT&T Florida's request for additional numbering resources was denied because it did not meet the utilization criteria.

On Thursday, May 05, 2022, AT&T Florida filed a petition requesting that the Commission overturn Somos' decision. In accordance with Section 2.07C.5.d(2). of the Administrative Procedures Manual (APM), staff has examined AT&T Florida's petition and has determined the following:

- The carrier has demonstrated that it has customers in need of numbering resources;
- The carrier has shown that it will be unable to provide services to these potential customers because of Somos' denial of the numbering resources; and
- Customers will not be able to obtain service from the provider of his/her choice because the carrier does not have the numbers available.

Since the three criteria of Section 2.07C.5.d(2). of the APM have been met, please prepare an administrative Proposed Agency Action Order to be issued within seven business days of this memorandum (May 25, 2022), as outlined in the APM expedited code denial process. Somos should be directed to provide AT&T Florida the numbering resources to meet its customer's needs in the Hollywood rate center, HLWDFLWHDSO switch. Please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Margarita Yglesias de Ayala at (850) 413-6594.
