**Re: Docket No. 20220062-WS – Application for transfer of water and wastewater facilities of C.F.A.T. H2O, Inc., water Certificate No. 552-W, and wastewater Certificate No. 481-S to CSWR-Florida Utility Operating Company, LLC, in Marion County**

Dear Ms. Clark:

Staff has reviewed CSWR-Florida Utility Operating Company, LLC's (CSWR-FL or Buyer) application for transfer of Certificate Nos. 552-W and 481-S from C.F.A.T. H2O, Inc. (Seller or Utility) to CSWR-FL. After reviewing this information we find the application to be deficient. The specific deficiencies are identified as:

1. **Notice of Application.** Rule 25-30.030(6), Florida Administrative Code, (F.A.C.), incorporated by reference in Rule 25-30.037(2)(b), F.A.C., states that all applications requiring noticing shall be deemed deficient until affidavits of noticing required by Sections 367.045(1)(e) and (2)(f), Florida Statutes, along with a copy of the notice, are filed with the Office of Commission Clerk. After staff has reviewed and approved the notice of application, and the notices have been distributed in accordance with Rule 25-30.030(5), F.A.C., please provide affidavits of noticing.
2. **Seller Information.** Rule 25-30.037(2)(c), F.A.C., requires the applicant provide the (certificated name, address, telephone number, certificate number(s), authorized representative, and, if available, email address and fax number of the utility/seller. The street and mailing addresses, as well as the Seller's telephone number, do not match the Florida Public Service Commission's (Commission) records. Please provide the correct information for this Utility.

Susan Clark, Esq.
