In re: Florida Power & Light Company's
Request for Confidential Classification
Associated with Hurricane Elsa and Tropical
Storm Fred Informational Filing

Docket No: 20220000-EI

Date: May 31, 2022

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF INFORMATION ASSOCIATED WITH
HURRICANE ELSA AND TROPICAL STORM FRED INFORMATIONAL FILING**

Pursuant to Section 366.093, Florida Statutes ("F.S."), and Rule 25-22.006, Florida Administrative Code ("F.A.C."), Florida Power & Light Company ("FPL") hereby requests confidential classification of certain documents and information specified in FPL's informational filing concerning Hurricane Elsa and Tropical Storm Fred, which is being filed contemporaneously with this request:

1. This Request is being filed in accordance with Rule 25-22.006, F.A.C., in order to request confidential classification of certain information related to FPL's Hurricane Elsa and Tropical Storm Fred costs. Specifically, FPL seeks confidential classification of: (i) searchable spreadsheets that provide data documenting the receipt, review, adjustment where appropriate, and payment of FPL's Hurricane Elsa and Tropical Storm Fred costs incurred for line contractors and vegetation contractors; (ii) Hurricane Elsa and Tropical Storm Fred contractor travel logs (together, the "Confidential Documents").

2. The following exhibits are attached to and made a part of this Request:

a. Exhibit A consists of a copy of the Confidential Documents, provided in electronic format on CDs, wherein all the information contained is entitled to confidential treatment. Because the confidential materials are being provided in electronic format and are voluminous, and therefore cannot be

readily highlighted, FPL has not highlighted the entirety of the information contained on the CDs.

- b. Exhibit B consists of summary page that identifies the Bates numbered pages associated with the Confidential Documents, which are entitled to confidential treatment in their entirety.
- c. Exhibit C is a table that identifies the information in Exhibit A and references the specific statutory basis for the claim of confidentiality and identifies the Declarant who supports the requested classification.
- d. Exhibit D consists of the declarations of David Hughes and LaTonya Vincent in support of this Request.

3. FPL submits that the information in Exhibit A is proprietary and confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, F.S. such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As described in the declarations in Exhibit D, the confidential business information includes information relating to bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. This information is protected by Section 366.093(3) (d), F.S. The confidential business information further includes information relating to competitive interests, the disclosure of which

would impair the competitive business of the provider of the information. This information is protected by Section 366.093(3)(e), F.S.

5. Upon a finding by the Commission that the information contained in the Confidential Documents is proprietary and confidential business information, the information should not be declassified for at least eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* Section 366.093(4), F.S.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted this 31st day of May 2022.
