Dear Clerk Of PSC,

I am writing to ask you to find Florida Power and Light's (FPL) preferred 10-year site plan to be unsuitable. I can barely afford the increased rates now! Nearly \$200. bucks last month to cool a small apartment. You vote matters and we (Panhandle folks) will be taking note. Please vote on the side of the people and not the profit. This is NOT the time for this increase.

Sincerely,
Ms. Elizabeth Merriweather
