Re: Docket No. 20220088-WS - Application for certificates to provide water and wastewater service and approval of initial rates and charges in Sumter County, by Middleton Utility Company, LLC.

Dear Mr. Tietzman:

Middleton Utility Company, LLC ("Utility") will be installing mobile read water meters, which are more expensive than those included in the original filing. Thus, I have enclosed an MFR Revised Schedule 5, and the Water Tariff Sheet reflecting this increase. The proposal from Ferguson Waterworks supporting the cost is also enclosed.

Should you or Staff have any questions regarding this please do not hesitate to contact me.

Very truly yours,

/s/ Martin S. Friedman
