Dear Mr. Friedman:

By this letter, Commission staff requests that Anglers Cove West, Ltd. (Utility) provide responses to the following questions.

1. Please refer to the Utility's response to Staff's Second Data Request No. 6.b. Please quantify the amount by which the new meter reading / billing system will reduce the employee salary expense for reading the meters and manually entering the billing data by hand. In the response, please include the following information.
 - a. Please identify the employees that are responsible for performing the meter reading and entering the billing data.
 - b. For each employee, please quantify the number of work hours that will be saved as a result of the new meter reading / billing system.

Please file all responses electronically no later than September 26, 2022, via the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form (reference Docket No. 20220032-WS). If you have any questions, please contact me by phone at (850) 413-6536 or by email at dbuys@psc.state.fl.us.
