**Subject:** Docket No. 20220001-EI: No new electric rate hikes!

Florida Public Service Commission Clerk,

Docket No. 20220001-EI

I am writing as a concerned Florida resident and a electricity customer. I received notification that FPL, Duke and Tampa Electric intend to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be

on a fixed income or struggling to recover financially from the pandemic. We are all inundated with price increases on everything.

You already raised our electric bill 300% when you raised the base rate. Instead of paying \$9+ we are paying \$27. We bought solar for a good reason and you are not helping.

I urge you to reject these outrageous rate increases at this time.
