Senator Gary Farmer, State of Florida District 34

Good Day Sir !

FPSC Docket No. 20210015 FPL Account No. 26582 57510

Constituent Request : (Attached Letter)

I am writing to request your direct assistance in my time of need.

As a Senior Citizen Veteran I am being monetarily penalized by FPL for my lower monthly KWH usage ?

FPL in turn has made no sincere effort to date to actually reward me for my Loyal customer sacrifice.

The FPSC made an honest mistake when they approved the FPL minimum rate charge.

I have notified Florida Governor Ron Desantis via the attached notarized letter, an am awaiting the

Governor's response, as requested.

Thank You For Your Invaluable Assistance Senator Farmer.

Respectfully,

Michael J. Walsh

Ref: The FPSC & FPL Questionable Rate Increase Agreement?

Dear Governor DeSantis,

I am writing to request your direct assistance as FPL has recently been granted permission by the FPSC to monetarily penalize me for my lower monthly KWH usage, when in essence I should have been commended by FPL for the sacrifice that I have made towards lowering my electrical usage. I have been a loyal customer of FPL since the year 1976, and I have always paid my electrical bill on time.

In the interim I still cannot fathom as to how the FPSC could have approved of such a request that inappropriately penalizes individuals such as myself for no good cause. I am a Senior Citizen Veteran, and reside in a single household.

I have politely asked FPL to request that the approval be amended in order to exempt individuals such as myself to no avail as FPL has failed to acknowledge same?

I am requesting that your office order a thorough investigation in order to ascertain as why the FPSC has failed to take into consideration as to how it would monetarily affect individuals such as myself.

Thank You Governor.

Respectfully,
