RE: Docket No. 20210093-WS - Application for transfer of water and wastewater systems of Aquarina Utilities, Inc., water Certificate No. 517-W, and wastewater Certificate No. 450-S to CSWR-Florida Utility Operating Company, LLC, in Brevard County.

On May 3, 2021, CSWR-Florida Utility Operating Company, LLC (CSWR or Utility) electronically filed its application for transfer (Document No. 03856-2021). Subsequently, on May 10, 2021, CSWR filed a request that Document No. 03856-2021 be maintained as confidential as it contained personally identifiable financial information. Its request, Document No. 03969-2021, contained a redacted copy of the application for transfer.

On April 27, 2022, staff filed a memo in the docket file, Document No. 02371-2022, stating that confidential Document No. 03856-2021 could be returned to the source. Since Document No. 02371-2022 was filed electronically, there is no hard copy to return. Therefore, staff requests that the electronic PDF file for confidential Document No. 03856-2021 be destroyed.
