**Subject:** water rate increase

This rate increase will be devastating for people on a fixed income, such as my self with no cost of living raise, I just received an increase for my lot rent, mobile home and car insurance. Not to mention the additional \$30.00 plus a month I already spend on store bought water to drink and around \$15.00 every 2 months for filters for my shower. Please listen to all of our concerns on this increase!!!
