CUSTOMER COMMENTS
We strongly urge you to not increase our water + utility rates. (utility rates)
We have such poor water service. At least 17 times this year we had water shutoff + then had to boil or water after it was turned on.
There is so much air in the water pipes.
It has a cloudy look to it always.
The system here is broke.
We feel SV utilities doesn't provide + doesn't need a raise hike for the lame service we get
