CUSTOMER COMMENTS

Raising water rates in S.V.

There has been NO improvements done to the general services in our community

Water is shut down for days in our community on a continuing basis (never ending)

Then when water is turned back on we must boil it, until further notice

In a years time we are without drinking water for well over

two to three week in total

Maybe even more. Sink holes in many places, water lines leaking so why the increase? NO repair.

They are still there. Sink Holes in many yards. Water leaking & wasting of

In my yard and neighbors the sink holes are increasing insize. Behind house there are many holes

natural resource

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and / or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any

Florida citizen or any member of the media.

The holes are a hazard to all those in the community.

The poor water pressure. Water running in the streets due to a water break (sometimes running for days at a time).
