Hi Sakina,

Cirion Technologies Solutions, LLC's (TY213) contact information has been updated in MCD, per the revised application and your request below, to include Clayton Thompson. The CMS parties list has also been updated to match the revised application and MCD.

Thank you,
Dorothy

Dorothy,

When Cirion submitted its revised application to provide telecommunication service to the Clerk's office it included new contact names. Can the names in MCD be updated to reflect the change on revised application? Or what does staff need to do? Let me know. Thanks.
