COMPLAINT INFORMATION

Complaint: Delay in Service against Florida Public Utilities Company
Details:
Dear Commissioners,

I am writing to protest the 24% increase in rates proposed by FPU. This is not commodity driven. This is a blatant increase to extract more money from ratepayers, and for what? Higher salaries for executives? How about some cost

cutting? How can ratepayers with an average income of 35,000 \$/yr afford this? Please stop this incredible increase and make the company show efficiency and optimization gains in the company's operating expenses. Thank you. Jim Leary
