THE FLORIDA LEGISLATURE
**JOINT ADMINISTRATIVE
PROCEDURES COMMITTEE**

March 1, 2023

Mr. Douglas Sunshine
Office of the General Counsel
Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

**RE: Public Service Commission
Rule 25-4.0665**

Dear Mr. Sunshine:

I have reviewed the above-referenced proposed rule, which was advertised in the Florida Administrative Register on February 20, 2023, and offer the following comments for your consideration and response:

25-4.0665(1): The proposed rule text indicates an effective date inconsistent with the official version of the regulations incorporated by reference, and the copy of the unofficial eCFR version of the material provided for review. Currently, the most up to date officially codified version of title 12 of the Code of Federal Regulations features a date of October 1, 2021. Please review and revise for consistency with the official version of the Code of Federal Regulations. If amendments to these regulations have subsequently been enacted since the last official codified version, these amendments should be incorporated in their official format (i.e. through the additional incorporation of the relevant Federal Register(s)).

Additionally, rule 1-1.013(2)(c), F.A.C., requires an incorporation by reference to contain a statement describing how an affected person can obtain the incorporated material, which cannot solely rely on the Department of State for provision. Please include directions in this rule how an affected person can obtain the incorporated materials from the Commission.
