CUSTOMER COMMENTS
They only come out when it is broken, they never clean the lift stations. Ponds over flow because system is not working correctly. Then they just pump the water directly into the pasture and not a spray field system so they can drain the ponds quickly. on Ponds & lift station smell horrible. They have spills that go into drains that go to the lakes. and dont report them Horrible Service

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/ or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
