A raise again for water ??? Too many times
the water is shut down due to bacteria in the
water and a boil water for many days has to be
done. -- can't take a bath, no drinking water - boil
water in a large kettle - too much and too many
times this occurs -- not our fault - but there --
for improper upkeep of the ~~hot~~ tanks or pipes
coming into our home - can't they at least -
give us bottle water (at all times) until - their
mistakes are taken care of - I'm 84 yrs. old -
