Re: Amendment to the Application of Skywire, LLC to Provide Telecommunications
Services within the State of Florida, Docket No. 20230034-TX

Dear Sir or Madam:

Enclosed please find, for filing, one original and one copy additional information requested by Samuel Day of Commission Staff, projected statements of Skywire Holdings, LLC, Applicant's parent company.

This information supplements **Exhibit C** of the above-captioned Application. Like **Exhibit C**, this supplement is filed under seal. Pursuant to Section 364.183(1) of the Florida Statutes, and 25 FL ADC 25-22.006, this supplement enclosed herein, contains financial information about the Applicant. Applicant is a privately-held company, with no obligation to publicly disclose its financial information. Applicant routinely requests non-disclosure of its financial information when it is shared outside of the organization, as is the case here. Public disclosure of this information can provide insight into the Applicant's strategic initiatives, and would allow competitors access to Skywire's financials, thus causing unfair economic damage and substantially harm Skywire. Therefore, Skywire respectfully requests that the Commission allow this material be filed under seal.

Thank you for your anticipated cooperation in this matter. Please date-stamp the duplicate of this filing and return in the self-addressed, postage prepaid envelope. If you have any questions or concerns, please contact the undersigned at (202) 792-6422 or at kmarshall@potomacclaw.com.

Respectfully submitted,

Katherine Barker Marshall, Counsel to Skywire, LLC
