Dear Mr. Teitzman:

For Windstream Florida, LLC (SAC 210336), no Federal High-Cost Support was received last year, and no High-Cost Support is expected to be received next year.

All of Windstream’s RDOF funding for Florida is currently on SAC 219027. USAC determined that all funding would go to only one SAC for companies with multiple SACs in a given state.

This letter is being sent in lieu of an affidavit.
