CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

My FPL bill continues going up every single month, even I have done everything possible to lower the bill, reduce the use of AC / turn off water heater, there are only 2 elderly at home during the day they do not use any electric appliances, so instead of going down it keeps going up, this is insane, something should be done to stop this.

My address is : 4496 sw 174 ave, Miramar, Fl, 33029 Telf 954-7436330
