Subject: Pluris increased charges

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I beg you to not allow Pluris for another increase. I'm on disability and my monthly income is barely enough to support myself specially with inflation nowadays. I personally witnessed residents complaining about their high water bills and their support for Orange County to take over because they are tired from bad water and they pay top dollar for it. Please reconsider and stop their hiking rates increase Thank you Tony Meimary Wedgefield resident
