Subject: We Can't Afford Higher Rates from FPL

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Commissioner Andrew Fay,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I'm perplexed that my FPL bill for due October 25th went up from \$195 per month to \$406.55 and we moved out in July, the house is vacant since it's up for sale. This is outrageous!

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to find work.

I urge you to reconsider this rate increase.
