RE: Docket No. 20230072-EI – Withdrawal of Petition for approval of shared solar tariff change, by Tampa Electric Company

MCB ESD

On May 31, 2023, Tampa Electric Company (TECO) filed a petition for approval of changes to its Shared Solar Rider Tariff (Document No. 03449-2023).

On November 6, 2023, TECO filed a notice of withdrawal of its petition for approval of changes to its Shared Solar Rider Tariff (Document No. 05966-2023).

Per APM Section 2.07(C)(2)d.4., the Clerk may administratively close dockets upon the joint recommendation of the OPR division and GCL, for dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing and no request for refund of filing fee has been made.

Staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, and no filing fee was paid or needs to be refunded. Staff therefore requests that the Clerk administratively close Docket No. 20230072-EI.
