In re: Commission review of numeric
conservation goals (Duke Energy Florida,
LLC).

DOCKET NO. 20240013-EG
ORDER NO. PSC-2024-0131-PCO-EG
ISSUED: April 25, 2024

ORDER GRANTING INTERVENTION
FOR NUCOR STEEL FLORIDA, INC.

On January 5, 2024, Docket Nos. 20240012-EG, 20240013-EG, 20240014-EG, 20240015-EG, 20240016-EG, and 20240017-EG were established to review and adopt the corresponding utility's conservation goals pursuant to Sections 366.80-366.83 and 403.519, Florida Statutes. (F.S.), known collectively as the Florida Energy Efficiency and Conservation Act (FEECA). By the Order Consolidating Dockets and Establishing Procedure, Order No. PSC-2024-0022-PCO-EG, issued January 23, 2024, the dockets were consolidated for purposes of hearing and controlling dates were established. These dockets are currently scheduled for hearing on August 6-9, 2024.

Petition for Intervention

On April 5, 2024, Nucor Steel Florida, Inc. (Nucor) filed a Petition to Intervene in Docket No. 20240013-EG. Nucor states it owns and operates a steel production facility located within Duke Energy Florida's (DEF) electric service territory. Nucor purchases large amounts of electric energy from DEF to power its steel making operations. Nucor argues that the changes proposed in this docket may affect the rates charged and paid by DEF customers and, because Nucor purchases substantial amounts of electric energy from DEF, the outcome of this proceeding may adversely affect Nucor's interests. No other party indicated an objection to Nucor's intervention.

Standards for Intervention

Pursuant to Rule 28-106.205, F.A.C., persons, other than the original parties to a pending proceeding, who have a substantial interest in the proceeding and who desire to become parties may move for leave to intervene. Motions for leave to intervene must be filed at least twenty (20) days before the final hearing, must comply with Rule 28-106.204(3), F.A.C., and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the proceeding. Intervenors take the case as they find it.

To have standing, the intervenor must meet the two-prong standing test set forth in *Agrico Chemical Company v. Department of Environmental Regulation*, 406 So. 2d 478, 482 (Fla. 2d DCA 1981). The intervenor must show that (1) he will suffer injury in fact that is of sufficient immediacy to entitle him to a Section 120.57, F.S., hearing, and (2) the substantial

injury is of a type or nature that the proceeding is designed to protect. The first aspect of the test deals with the degree of injury. The second deals with the nature of the injury. The "injury in fact" must be both real and immediate and not speculative or conjectural. *International Jai-Alai Players Assn. v. Florida Pari-Mutuel Commission*, 561 So. 2d 1224, 1225-26 (Fla. 3d DCA 1990). *See also Village Park Mobile Home Assn., Inc. v. State Dept. of Business Regulation*, 506 So. 2d 426, 434 (Fla. 1st DCA 1987), *rev. den.*, 513 So. 2d 1063 (Fla. 1987) (speculation on the possible occurrence of injurious events is too remote).

Analysis and Ruling

Based on above representations, it appears that Nucor meets the standing requirements of *Agrico*. As an industrial customer within DEF's service area, its substantial interests will be directly affected by the Commission's decisions as to the appropriate conservation goals and programs. Nucor meets the requirements for standing and will be permitted to intervene in Docket No. 20240013-EG as a party in this proceeding. Nucor takes the case as it finds it.

Based on the above representations, it is

ORDERED by Commissioner Arthur Graham, as Prehearing Officer, that the Petition to Intervene filed by Nucor Steel Florida, Inc. is hereby granted as set forth in the body of this Order. It is further

ORDERED that Nucor Steel Florida, Inc. takes the case as it finds it. It is further

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
